In this past month SouthCentral has had two major events that have blessed our mere existence as a spiritual family. Moments like these build us up and strengthen us. I first speak of the SouthCentral YouthCore and their successful trip to Central Pointe's Youth Extravaganza. These young people and their supportive parents are led by Prentice and Christina Butler and are more than just consistent winners for the Bible Bowl in Dallas. They are a great and constant ministry that works all of the time to help, support and encourage our young people!

And our young people are stepping up to the plate! Lots more is on the horizon as their leaders execute their plans. Let's pray that this spirit grows and catches fire in the entire church.

What a weekend March 29th & 30th was! The Taste of SouthCentral is back to stay!! We had a time...a great and delicious time. I thank all of you for such a spirit of cooperation. We raised money? Yes! But we also raised awareness. We raised the level of fellowship and teamwork. We raised the standard and raised the bar! Thank you and bless you for your support!

But as great and delicious as it was, it paled in comparison to what we experienced at The Taste on Sunday. Dr. Paul Day was more than what we ever could have asked for. His timely message was on point in more ways than one! He was humble, yet powerful. Simple, yet took us deep into the concepts and precepts of the Word. I was blessed. You were blessed. SouthCentral was blessed! Now what are we going to do with it? How will we use all of this rich spiritual energy to keep going?? What are YOU committed to doing? We have a series of special weekends or Sundays planned throughout the year. I hope and pray they all will be one half as effective as "The 2014 Taste of SouthCentral".

"I Am a Church Member" is the upcoming study for the adult class on Sunday mornings and on Wednesday nights. Our attendance, (especially mid-week) has been increasingly encouraging, but there are many more who should take advantage of these great times of study. In the current study (Second Mile Servants) we are brought face to face with what it really means to be a Christian. The next one deals with what it truly means to be a member of the church. It's an eye-opening study and we invite you to explore it with us.
