Among the many things I love about SouthCentral is the love we have for the preached Word of God! This is evidenced each Sunday when I deliver God's message, but I especially witness it when we have guest preachers and pastors. We were just fed by a Master Teacher-Preacher, Dr. Jerry Taylor of Abilene, Texas. How we enjoyed him! What an eloquent word and delivery! Yet, Dr. Taylor could only talk about the spirit and praise of South-Central Church! I know this man. He was not just talking. He knows churches the length and breadth of this nation (as do most of the ministers that come to us). And they all leave Tyler, Texas knowing that the Church of Christ at SouthCentral is a word-loving, Spirit-filled, Christ-centered Church. To God be the glory! Let's keep it that way.

SouthCentral 730 officially begins on Sunday May 3rd. We are anticipating a good and positive change in the culture of our church family. Though growth will be slow, it will be manageable. We are targeting those in our community who are perhaps leaving their jobs at 7:00 am or even earlier. We are thinking of those who travel on the weekends or who would like to worship in a service somewhat abbreviated from our 10:00am service. SouthCentral 730 will also be versatile in style and flow. As always we want our church to be a place that is receptive and encouraging of change. We will have ongoing marketing of not only South-Central 730, but of many of the ministries and programs here that are of community outreach nature. Let's engage in personal and corporate prayer over this new and early worship opportunity.

Great plans are also on the near horizon for our youth and Bible School. We are still planning a youth church (on their level) going on simultaneously with the 10:00 worship. As always we are in need of more dedicated workers for all aspects of ministry. We need teachers, teachers' assistants, ushers, technology workers, etc... If you have been planning to get involved and become more than an attending member, you now have the golden opportunity. Please see me or the assistant minister and let's get started NOW. WE NEED YOU and you need ministry. So many programs and ministries hinge and depend you, and every body, every person, every story counts.

This is our busy time. The choirs are on the move. The culture of our church family continues to evolve. Change is good and challenging. Let's receive it and accept the challenges that lie before us. Much of it includes our physical facility. At present we are having much needed roof work done, the new doors are on order and there are other minor but significant maintenance that needs to be done in both the main building, the annex and the other property that SouthCentral owns (Seaton Street). We need everyone's steadfastness, faithfulness and inclusion. Let us be earnest and consistent in our tithes and offerings. God is looking at each of us and nothing takes the place of giving. It is personal accountability to Him and it is proof our love for Him and his church.
