Darryl B. Bowdre
Senior Pastor

Please forgive us for this month's edition for being so late. It has been a blessed and busy month for your pastor, First Lady and family. Not to mention one filled with health challenges and surprises. I first give praise to God who always knew the income and outcome (and still does). Pray for me and my family as we recuperate and recover from this life-changing, altering event. Pray for our strength, our togetherness and our faith in the God who is in control of everything. I thank the ministers who have stood in my place in the pulpit

and who continue to do so as I recuperate. Not only am I blessed to have preaching friends who I can call upon, but I am blessed to have a church family that has a reputation of being a fun church to preach to! SouthCentral loves the Word, and the word is out!! The manner in which we you receive the Word and respond to it makes messengers excited about coming here to preach. I pray this will always be part of SouthCentral's DNA.

There is still a lot of work to do around here and we must remain vigilant and faithful. I am not only thankful for my preaching brethren, but I am even more thankful for our three deacons and the men who work with me all of the time. They are the ones who keep the home fires burning. So much can be taken for granted, but someone has to take care of the buildings. Somebody has to turn on the air conditioning and secure the property and so many other things. This ministry is an inclusive one and is not contained in a vacuum.

Our Vacation Bible School is our next major effort. Please mark and reserve June 16-18. Last year's was such an outstanding success that I cannot wait to see what 2014's VBS will yield. We are in need of more teachers aides, helpers and workers in general. There will be classes for all ages of children. There will also be an adult class held in the sanctuary. Please prepare your visitor lists so that our attendance will surpass that of last year.

School will be out soon and we anticipate a great summer of service. We continue to thank God Almighty for the continued growth that we have and the people that He continues to send our way. As always, I urge everyone to make yourselves acquainted with our newer members and welcome them into the SouthCentral fellowship in every way possible. Let's also be engaged in fervent prayer for them and for their families that they may continue to grow
