

FSouth Central RWARD
by faith... a call to holiness

Pastoral Illumination

“Forward by faith” is not just a theme. It explains how we are going to get where we’re going as a congregation of God’s people. 2012 was an encouraging year for SouthCentral. As in past years, we experienced growth that was substantial, and yet there is something even more substantial about the individuals and families who have cast their lots with us. They are involved in ministry and church life. I would like to think that

some of the things that we are doing differently have helped to encourage this faithfulness. However, most of it comes from the level of commitment that these Christians possess. My prayer is that they continue to grow in the Lord as well as continuing to add to the love and growth at the Church of Christ at SouthCentral.

We have a wonderful history, but our focus by faith is on the future. With this being our fifteenth year, you will hear a lot about baby-steps and strides SouthCentral made from 1998. Plans are even underway to recognize and permanently honor those members in the past 15 years who took those steps and strides by faith with us. They have left a wonderful legacy, one we need to imitate as we move forward. And moving forward is exactly what these saints would want for us. If God supplied us with the things we needed and wanted in the past, how much more is He willing to do the same for us now? The only catch is that God requires more faith and work on our part because He has shown us that His grace and power is sufficient.

There are many plans on the calendar that deserve our involvement in. I hope that more of us will avail ourselves and our families to what the church here has to offer. The love and encouragement alone is worth it, but there is so much more than that! This is a place where we celebrate our gifts and talents. SouthCentral is a place where one can live out the true meaning of discipleship — if — you are committed enough to do it.

One of the first major events will take place on the weekend of March 3rd when we observe our anniversary Sunday. The guest minister for the occasion will be Brother Michael Johnson of Nashville, Tennessee, a gifted preacher and great man of God. Mark your calendars and make a point to make this a visitors day!

We are so happy to reach this important 15 year milestone! In some respects time has flown by, and that’s because we have always been a busy church. When God’s people are active, He has His way of involving us in what we’re doing so deeply, that we spend more time in His service than in watching the calendar and the clock. Happy 15th anniversary SouthCentral, and to God be the glory!
