How deep is your worship? The answer to that question depends upon your knowledge of the God we worship. If you really do not know Him or if that knowledge is shallow, then your worship will be either non-existent or at best—shallow. (Just a little food for thought and spirit as we move into the month of May—the month we begin an additional worship service and opportunity. We’re going to be spending some time studying about the God we worship in a never-ceasing attempt to deepen our relationship with Him.

Many Christians, especially in this country, are more interested in the principles of God than in the person of God. They give

to God, receive from God and work in His name, but they never enter into an intimate relationship with Him. This is far beneath what God desires for us and from and even with us. The more blessed we become, the more vulnerable we are to taking God for granted. So...let’s start again. Let’s renew our spirit and anticipate the journey. Let’s return to ground zero. Let’s go back to the cross where we first saw the light. Let’s get a deeper relationship with God and see if it won’t result in a deeper worship of Him.

VBS 2015 is upon us . The dates are **June 15-17** and the theme this year is **“TEAM: POSSIBLE. (Mark 10:27)”** Last years support and attendance were great and we know we can do even better this year. Our teachers and educational staff are excited, which makes for exciting classes, and there are classes for all ages. The adult class will be taught by our Assistant Minister, Brother Derren Smith. The time is 6:30 pm. If you would like to assist in any way, please contact Deacon Prentice Butler or Sister Ashley Smith. As always we need the caregroups to each take a night for refreshments and snacks.

The SouthCentral Caregroup ministry is an important part of our life together at SouthCentral, which is why we urge involvement and support. Caregroups provide fellowship, support, communication, information and cooperation. Know your caregroups and your caregroup leaders. All three groups meet on the 2nd Sunday of every month immediately following worship services. With the addition of South-Central 730, it is ever so vital that the caregroups to function effectively.

This is our 17th year! I am thrilled that God has blessed us to reach such a milestone. We’ll be marking this occasion in both spiritual and festive ways. As we lead up to our August, our anniversary month I encourage you to continue your involvement and support of our effort here. Our giving has been encouraging and liberal and I thank you from the bottom of my heart, but more importantly—God is pleased when we put His House first.
