

FSouth Central RWARD
by faith... a call to holiness

Pastoral Illumination

SouthCentral is readying herself for our first Vacation Bible School this month. Preacher, teachers, directors, aides and all are excited about this venture. After 15 years, why now? Because timing is everything and the Spirit of the Lord did not lead us to do it until now. One reason could be that at this point I am more proud of our teaching staff than ever before—all of them! These are the ones that undertook the daunting task of rebuilding the educational department. It was a slow, deliberate process, one that took perseverance and much prayer. But—with God's help they did it! And they continue to accomplish much for the Lord in this vital area.

Therefore, they are ready! They are more than excited for the opportunity to teach every night in special ways! Come and experience some faith building of our own as adults. VBS is not just for children. This thing is so big that plans are already being made for Vacation Bible School 2014!

We are still celebrating our 15th anniversary with a special event every few months. In the month of March we enjoyed the preaching and fellowship of Brother and Sister Michael Johnson of Nashville, TN. We created a great bond of fellowship between us, visitors and new members in a spirit-filled anniversary service in which all of our choruses and even a special MENistry Choir performed and inspired. Our event following the first VBS in June will be the special anniversary musical on August 24th. It is in the final planning stages and you are urged to pay attention to announcements as to the forthcoming details. However, let's get ready to receive special guests for that weekend. Those guests include Faith Point Church of Christ Ensemble from Ft. Worth and The East Side Church of Christ Chorus from Oklahoma City, OK. Get Ready SouthCentral!

It has been quite some time since we had to urge you to make use of the SKYLIGHT INFORMATION FORMS. They are located in the South Foyer at the hostess table. The directions are printed on the form and are self explanatory. Please utilize them and note the time deadlines. They are important to observe because to give announcements the ultimate success, we use various ways, means and methods of communication. The SKYLIGHT INFORMATION FORMS (SIF) help us to coordinate news between public announcements on Sundays and Wednesdays in addition to our website, the bulletin, the information center and our projection system in the auditorium and in the foyer.

God has allowed this congregation to be blessed in so many ways during these 15 years. One of our greatest challenges continues to be in our outreach to the community. Assessing the needs of the congregation and the community in which it ministers reveals more needs than we alone have the resources to even begin to address. However, when we determine what needs to be done and what we can do, the task becomes possible. I am asking you to pray with me as we make plans to further reach out to the community we are such a part of.

Summer is upon us. Let's be faithful and accountable to God and to one another.

Senior Minister
