Much thought and preparation goes into all of our class studies, but this is especially true of our Adult Bible class. Recently I went back and looked at various studies that we have had throughout the years, and one can definitely see where we have come from as a church and as the people of God at this place. Our current study, "I Am a Church Member," is a life changing study—and it's showing!

Although I have not been able to be present for the first part of the book, it has done me good as your minister to observe and hear you discuss the study, and better yet—act on it. Deacon Prentice Butler has done his usual masterful job at teaching (as do all of our teachers). This has resulted in spiritual growth and maturity. There are people here who are serious about developing their faith and that is showing also. To God be the glory!! This excites me and I am anxious to return to the class and the pulpit! If you are not attending Bible classes on Sundays and Wednesdays, I urge you to consider it. Bring your family! I promise you that it is a decision that you will not regret.

2014 is the second year that SouthCentral has hosted Vacation Bible School. Last year's VBS was extremely successful and we want to break all of those records this year. Please reserve the date— June 16-18 and let's invite everyone we can. While VBS is centered around children, we will again have an adult Bible study as well. As usual, there is work to be done and if you are interested in serving in any capacity —from Teachers to aides to workers on the fellowship and food committee, please see me or Brother Thompson or Butler.

Our Birthday Challenge has been a rewarding experience and before long I trust that we will see the fruits of our efforts. A church of any size has needs and even though we are not a mega church, we have mega needs that cannot always be met through the regular collections. I personally thank all of you who have given as well as those who are still planning to do so. We are in the process of having our new sign designed and we know that it will be something that will be reflective of SouthCentral Church of Christ.

Be planning for our 16th church anniversary on the third weekend in the month of August. The way these days and weeks pass, it will be upon us before we know it. We traditionally ask each member to give \$20 toward this celebration, and we ask the same of you now. Please cooperate and participate!!
