Senior Pastor

It is thrilling to see our newest worship service take off as it has. Thanks to all of you who are serving in various capacities of support. It involves time and talent and God gets the glory. We can easily see how impacting and effective it is. The spirit is powerful and the attendance and giving of our offerings have been liberal and encouraging. This service is growing and will continue to grow as will our 10:00 service, especially if we continue to use the proven SouthCentral methods of growth. From our beginning we have employed the philosophy of (1) Visitors (2) Attenders (3) Members and (4) Disciples. It all starts with us extending the invitation to others to come and experience our worship. The early morning service may be

different and a bit more challenging to get visitors to, but I still believe that the harvest is plenteous and the opportunity is vast. Let's go for it all!

It is the halfway point of the year. 2015 is half over and the best part of our year is yet to come. This month we have our Vacation Bible School with great anticipation! The last two years have been great. The excitement that it creates in youth and adults is fantastic and contagious. TEAM POSSIBLE is a theme that all of us who attend will benefit from. Mark the date and plan to be present all three nights, June 15-17 at 6:30pm. Let's fill our hearts and our cars with family and friends. As always the caregroups will be in charge of refreshments. We're gonna have a time!

I thank you for your patience during our recent re-roofing of both of our buildings. While the work has been much needed for quite some time, it did pose some displacement and inconvenience for our church family-flow. I for one and glad that it's in the completion stage and with the recent heavy rains, all appears to be well -roof wise. We do have some other issues in the annex building that we are continuing to address. Just as in our own homes, there is always something to do, fix or redo at our church house. You being a consistent and liberal giver is the important factor in helping us to keep things nice and attractive around here. These things we do because we realize that the image we portray represents Christ. We must do right by Him as the world watches and observes. Our deacons are planning more aesthetic work that will do nothing but enhance the beauty of our campus. Let's be attentive and cooperative as they present plans and ideas that will work and beautify SouthCentral.

Before the summer is over, we plan at least three (3) major movements and events. Our 17th anniversary observance will come in more than one way. On August 8 we will co-host a musical with the Woodland Hill church of Longview at the Liberty Theater in downtown Tyler. It's called the East Texas Praise-a rama and you will be hearing more in the coming weeks. Anniversary Sunday is August 16th with Brother B. B. Gaston of San Antonio, Texas as our guest pastor. He's been with us before and is a dynamic, captivating, electrifying preacher. Mark it down! Sometime after anniversary, we plan to implement SouthCentral YouthChurch during our 10am worship. Stay tuned!!
