Since the Skylight is published monthly, some of what we print may seem old news or even redundant in nature. However I MUST say again how thrilling and great this year's Vacation Bible School was. We out did last year's event in numbers and enthusiasm. A huge thank you goes to everyone for it took all of us working together and each doing his/her part. There were those who went above and beyond the call of duty and you know who you are. All I can say is that your spirit makes SouthCentral the unique place that it is and it challenges more of us to do likewise. Be blessed as you bless!

Some of the major events and dates left on our church calendar for 2014 includes (1) Our 16th Anniversary—August 16th (2) The Anniversary Songfest —August 23rd, (3) Classmate/Coworker Sunday—September 28th, (4) Sisterfest—October 18th , (5) Cousin Sunday and (6) the SouthCentral Music Workshop— December 6,7. This impressive list doesn't include all of the smaller but significant other things that take place on a regular basis. Please take note of these and let's work together toward each of them being what we know they can be. As you can see, there is plenty to involve yourself in and part of being a member means being involved and participatory.

This month we welcome **Derren (D. L.) & Ashley Smith** and their two children (Taylor & Tristan) to the SouthCentral family. We welcome their gifts and talents as they work with us in the capacity of **Minister of Involvement & Development**. We talk much and often about members finding their places and using their gifts. One of D. L.'s primary responsibilities will be helping to involve members in ministry. SouthCentral has had such a great part in Brother Smith's ministerial journey, (having served as our ministerial intern), we believe it is time to make it an even greater journey. Much will be required of SouthCentral as we aim toward a multiple ministry with multiple ministers. It is a step of faith and a vision for this church that can help us to grow to all of the next levels. Let us prayerfully move forward together. In addition to praying, we should always *do* what we can to encourage this young minister and his family.

Don't let the summer heat slump your spirit. Remain faithful and steadfast, abounding in the work of the Lord! (I Corinthians 15:58)
