## We're Still Going Places!

### Schedule of Services

September 2014

**Darryl B. Bowdre**  
*Senior Pastor*

Coming off of a stupendous church anniversary, I am elated and excited about the direction of SouthCentral. This has been a wonderful year for our spiritual family. Earlier this summer we welcomed **The Derren Smith** family as our *Minister of Involvement & Development*. They are still finding their way among us....learning names and putting them together with faces. I know what it feels like when everyone knows you, but you don't know them. They are already making their footprint at 3415 and we are blessed to have them with us.

Now we are doubly blessed with the coming of another spiritually-powered couple. **Brother Dexter and Natalie Smith** are with us now. (I call 2014 the year of SouthCentral and the Smiths!) Dexter will be our *Minister of Music* and Nat will be our *Director of music & choirs*. We are getting quite a deal between the two of them!! Brother Dex will be working with our PRAIZE and Justin will continue as director of the SouthCentralites and Assistant Music Director. I am anxious to see what the Lord is about to do with us using these young adults and more to take us where He wants us to be. Pray for them. Encourage them in every way possible and let's show them as often as we can.

We are at a crucial juncture in our journey together, now being served by a multiple ministry. This is an important milestone and we must adapt to the changes that it will surely bring. We must cooperate as never before. We must participate and recruit others within SouthCentral to be committed to this ministry. What's YOUR role in this? HOW will YOU serve and work within the framework of our growing organization and leadership? These are important questions that we all must answer-not by lip service. (Talk gets cheaper everyday) Action is the only way that we can reply...positive action.

Our signage looks great our front, and is perfect for traffic going by at 60 mph! We thank **Deacon Prentice Butler** for taking on this project and seeing it to a successful conclusion. We also thank everyone who has given through the Birthday Challenge for the last two years. Without you, it would not have been possible, which is why we must continue this project each year. We are blessed with facilities and grounds, but part of that blessing includes the responsibility of keeping them and maintaining them. Next year we have some infrastructure things like the parking lots that we need to address as well as some reconstruction in the Annex. All of this is working toward the bigger picture and plan and that is the expansion and remodel of our main building. We want to be ready to go when we pay the final note on our property—and that will be here before you know it. Let's give like we have a purpose and Lord knows we do. We
