

WEDNESDAY NIGHT BIBLE STUDY:

The One Anothers

The church has been called into existence as the body of Christ. As such, it is the representation of Jesus to the world. We are called to demonstrate to the world who Jesus is and how God's family lives. We show the power of the rule of God within and among His people. We give a living video of life in God's household.

In providing instruction to us as saved sinners, Michael Brown shows us how to live among God's people and have abundant life. These instructions are the One Anothers of Scripture.
